- 7.3.** Bids submitted after the deadline will not be considered.

8. CRITERIA USED BY THE ORDERING PARTY FOR BID SELECTION

- 8.1.** When evaluating bids the Ordering Party will use the following criteria:
- Price– 80%,
 - Delivery time – 20%,
- 8.2.** The evaluation criteria apply to both partial bids and bids covering all parts of the subject matter of the contract. Evaluation and thus scoring will be carried out individually for each part of the subject matter of the contract, regardless of whether the offer will cover all parts of the subject matter of the contract or will be a partial offer.
- 8.3.** The score will be awarded as per the formula:

$$O_P = P_C + P_S$$

where:

- O_P - Score of the bid
- P_C - score for the "Price" criterion
- P_S - score for the „Delivery time ” criterion

8.4. The score (P_C) for the “Price” criterion will be calculated for the net amount as follows:

$$P_C = \frac{C_N}{C_B} * 80 \text{ points}$$

where:

- P_C - score for the “Price criterion”
- C_N - the lowest net price proposed in the bids which were not rejected
- C_B - total net price of the bid being evaluated

Bids submitted in a currency other than PLN will be converted into PLN at the average exchange rate of the National Bank of Poland on the closing date for submission of bids.

8.5. The score (P_S) for the “delivery time” criterion will be calculated for the net amount as follows:

$$P_S = \frac{S_N}{S_B} * 20 \text{ points}$$

where:

- P_S - score for the “delivery time”
- S_N - the shortest bid delivery time in the bids were not rejecter
- S_B - total delivery time of the bid being evaluated

By delivery time the Buyer means the time counted in calendar days from the date of the Buyer's order to the Seller's execution.

The bid will be rejected if the delivery time of the subject of the price inquiry is longer than 30 working days.

8.6. The most advantageous offer will be considered the offer from among the offers that have not been rejected, which in total will obtain the highest number of points. The maximum the Seller can obtain is 100 points. Calculations will be made to two places after the decimal point.

9. DESCRIPTION OF BID PREPARATION

9.1. The bidder shall prepare one price offer in accordance with the sample form attached as Appendix No. 1 to the request.

9.2. 9.2 The Bidder may, before the deadline for submission of bids, change or withdraw its bid.
