## VI. DESCRIPTION OF PRICE CALCULATION METHOD

- 6.1. How to calculate the bid price: the price should be calculated net and gross.
- 6.2. Bids submitted in a currency other than PLN will be converted into PLN at the average exchange rate of the National Bank of Poland (<https://www.nbp.pl/>) on the closing date for submission of bids.
- 6.3. The price should include all costs associated with the preparation and execution of the subject of the request.
- 6.4. The price submitted in the bid cannot be changed during the execution of the contract.

## VII. PLACE AND DEADLINE FOR SUBMISSION OF BIDS

- 7.1. Bids must be submitted by the deadline of 26.01.2024.
  - in electronic form (in the form of a scanned signed document or an electronically signed document) to: [barbara.wendolowska@polpharma.com](mailto:barbara.wendolowska@polpharma.com)
- 7.2. Submission of a bid will be considered successful if a complete bid is received at the e-mail box with the above address by the deadline specified in this section.
- 7.3. Bids submitted after the deadline will not be considered.

## 8. DESCRIPTION OF THE CRITERIA THAT THE CONTRACTING AUTHORITY WILL BE GUIDED BY WHEN SELECTING A BID

- 8.1. When evaluating bids, the Buyer will be guided by the given criteria:
  - Price- 100%,
- 8.2. The evaluation criteria apply to both partial bids and bids covering all parts of the subject matter of the contract. Evaluation and thus scoring will be carried out individually for each part of the subject matter of the contract, regardless of whether the offer will cover all parts of the subject matter of the contract or will be a partial offer.
- 8.3. The scoring of the bid will be done according to the formula:
- 8.4. The number of points ( $P_C$ ) in the criterion "Price" will be calculated according to the formula:

$$P_C = \frac{C_N}{C_B} * 100 \text{ pkt}$$

Where:

- |       |   |  |
|-------|---|--|
| $P_C$ | - | number of points for the criterion "Price"               |
| $C_N$ | - | of the non-rejected bids, the lowest total net bid price |
| $C_B$ | - | total net price of the tested offer                      |

Bids submitted in a currency other than PLN will be converted into PLN at the average exchange rate of the National Bank of Poland on the closing date for submission of bids.

- 8.5. The most advantageous offer will be considered the offer from among the offers that have not been rejected, which in total will obtain the highest number of points. The maximum the Seller can obtain is 100 points. Calculations will be made to two decimal places.

## 9. DESCRIPTION OF BID PREPARATION

- 9.1. The bidder should prepare one price offer in accordance with the model form attached as Annex 1 to the request.

- 9.2. The bidder may amend or withdraw its bid before the deadline for submission of bids.
- 9.3. Bidders are required to carefully review the information contained in the Price Request.
- 9.4. For matters related to this inquiry, please contact the Contracting Authority, e-mail: [barbara.wendolowska@polpharma.com](mailto:barbara.wendolowska@polpharma.com)

## 10. CHANGE THE CONTENT OF THE AGREEMENT

- 10.1 The Contracting Authority reserves the right to **make significant changes to the provisions of the Agreement** for the offered services in relation to the content of the offer on the basis of which the Contractor was selected, in the following scope and situations:
  - 10.1.1. changes in the provisions of law, in the scope affecting the execution of the Agreement (in particular, changes in VAT rates);
  - 10.1.2. improvement of the technical parameters of the subject of the Agreement, resulting from the update of solutions due to technological progress, without affecting the gross lump sum price.
  - 10.1.3. extension of the deadline for execution of the Contract as a result of the necessity to perform additional work, the performance of which is necessary for proper execution of the Contract, and the performance of which the Ordering Party, acting with due diligence, could not have foreseen earlier, subject to section 10.1.6 below;
  - 10.1.4. Extension of the deadline for execution of the Agreement as a result of force majeure, together with all consequences occurring in connection with such extension;
  - 10.1.5. changes in the parameters of the subject matter of the Agreement, not leading to changes in the nature of the Agreement - technological changes, in particular: the need to implement the Agreement using other technical/technological, material solutions than those indicated in the Request for Proposal, in a situation where the use of the provided solutions would threaten non-performance or faulty performance of the Agreement, subject to item 10.1.7. below;
  - 10.1.6. changes relate to the implementation of additional supplies or services of the Contractor, not covered by the Contract, if they have become necessary and all the following conditions have been met: - the change of the Contractor cannot be made for economic or technical reasons, in particular concerning interchangeability or interoperability of equipment, services or installations, ordered under the basic subject of the Contract,
    - the change of the Contractor would cause significant inconvenience or a significant increase in costs for the Ordering Party,
    - the value of each subsequent change does not exceed 50% of the net value of the original net subject of the Agreement;
  - 10.1.7. the change does not lead to a change in the nature of the Contract and the following conditions have been met jointly: - the need to amend the Contract is caused by circumstances that the Contracting Authority, acting with due diligence, could not foresee,
    - the value of the change does not exceed 50% of the value of the original net subject of the Agreement;
  - 10.1.8. The contractor is to be replaced by a new contractor:
    - as a result of a merger, demerger, transformation, bankruptcy, restructuring or acquisition of the Contractor or its enterprise, provided that the new contractor meets the conditions for

participation in the proceedings, there are no grounds for exclusion against it and it does not involve other material changes to the Contract,

- as a result of the Ordering Party's assumption of the Contractor's obligations to its subcontractors.

- 10.2.** The Contracting Authority also provides for the **possibility of making non-substantive changes to the provisions of the Contract in** relation to the content of the offer on the basis of which the Contractor was selected.
- 10.3.** Amendments to the Contract shall be made in the form of annexes signed by both Parties, and the possibility of their introduction shall be subject to acceptance by the Ordering Party.

## 11. OTHER INFORMATION

- 11.1.** The bidder shall bear all costs associated with the preparation and submission of the bid.
- 11.2.** Until the deadline for submission of bids, the Procuring Entity reserves the right to amend or supplement the contents of this price inquiry.
